# Thank You!

## for your Support

We take this opportunity to acknowledge and appreciate the value of your treasured support. We bottom heartedly thank each and every donor who supported us and made these orphan children to study and live their lives happily.

If we can leave aside a small portion of any extravagances on weddings, dinner parties, entertainments, and the like, it will mean a lot to us: one meal for the hungry, a pair of clothes for the needy, a scholarship for a child. We expect your helping hands forever in future so that the dark present of these people can be lightened in near future. It is only people like you who make us confident enough to proceed with new initiatives and cater more orphan children.
